# TALK FROM THE TOP

by **GEORGE BINNS**

In the early 70's when Town shuttered down the Divisions from the 1st to the 4th, hopefully we learned a lesson that is now standing us in good stead. The decline was not arrested then, mainly because the Board persisted basically with players who had been a part of the initial relegation.

The reverse took place during the last close-season with barring one or two exceptions, which produced virtually a complete change in the First Team squad, and of course also at managerial and coaching levels. With such a radical change it takes time to put things properly together again. The result of such change has been that only gradually can the right blend be achieved. With only one or two hiccups there seems to be real progress in the right direction.

One other side effect, so to speak, of the close season has been that the unusually high number of players on Town's books has produced a greater cost than crowds averaging 5,000 can sustain. With the recent departure of Mark Barham, a seasoned professional, and the increasing of gates recently to nearer 6,000, there is a significant move towards closing that gap. An average home attendance of something between 7,500 and 8,000 is needed, together with the continued rationalisation of the playing strength, or a fair old loss on the accounts will be produced for 88/89 season.

Town's success at Central League level has been very welcome, but possibly the above has some bearing on this. We have many promising youngsters on the books and

perhaps they may in due course have more opportunity to express themselves at 2nd team level when Eoin Hand has finished his initial wheeler dealing.

On a wider football front, 1st Division representatives on the Management Committee seem to have been dropping like flies, with not one of those who finished last season still present. This can, if football is not careful, produce a lack of continuity in national negotiations, particularly in regard to the government's proposed membership scheme. Whatever the merits, or otherwise, of the past President, Philip Carter, his negotiations in this field were first class. It is normal to expect football's next President to come from the 1st Division, but if this were to be so, there certainly could be problems. Whether the 1st Divisions need for self preservation in maintaining full control ought to be sacrificed for the good of football is still a matter of conjecture. A President selected from the other four members of the Management Committee, Ian Stott, Bill Fox, Ron Noades or Jack Dunnett, would certainly produce continuity as all four have vast experience. Football has a strange habit however of inflicting wounds upon itself, this may be another of those occasions.

I must conclude by welcoming all those who have travelled from Bolton this evening, a good match is in prospect. Hopefully all who support both teams will go home having been well entertained.

## LOUGHREY LOOKS BACK

### AGAIN AN HONOURED MEETING

December 1910 was the date of the first meeting between our two sides and underlines the fact that our Lancashire visitors are among the most respected of Town's opponents down the years. Cup ties have rarely gone in our favour, in fact there has been no victory for Town in such matches down the years, and just one solitary draw. But in terms of League match results honours are far more evenly spread.

Unlike the record of Sheffield United, our last visitors to Leeds Road, Bolton have never found it easy to collect the points when travelling to Leeds Road. In fact, their first success came in 1922-23 and they have achieved victory on just five occasions since. Results at Burnden Park supply a mixed story for while, for many years Town had little joy across the Pennines, we did at one stage win three successive matches.

Noteworthy is the fact which shows Town as the defeated side in many meetings during the twenties despite our championship successes. Bolton at that time were enjoying unprecedented runs of Cup tie success which brought them the F.A. Cup victory in three of the seasons, 1923, 1926 and 1929. Yet if Town, during that period, were having our triumphs with a record which no club can rival, today's visitors without question held top Cup honours.

But now those days seemingly have slipped into the past and, like Town, Bolton look for restoration of former days of glory. Names from those days come easily to mind with perhaps the front line being uppermost.

David Jack, who went on to greater fame with Arsenal, stand out, and there was Finney, a full back, another who swiftly comes to mind.

Strangely, Bolton have rarely made any great impression so far as League matters are concerned. Their placings have frequently seen them at the foot of the Premier Section, usually let it be said with a quick return to the senior section within a year or two. In fact, in a history stretching back to the formation of the Football League, Bolton have finished no higher than third.

Now their fortunes have deserted them still further, it is the Third Division which is their scene of activity.

Perhaps I should be making a serious effort to get myself up to date! For as I write it is Norwich City who stand at the head of the First Division, something hard to imagine back in the days when Bolton stood as the Cup team par excellence. Town too have also something to say on such matters. For us, problems still exist, but it is well to recall that things ultimately can turn out as Leeds Road fans would wish.

## THE ALTERNATIVE SUCCESS

Town's Commercial Executive Keith Hanvey blows the whistle in readiness for the Alternative Cup Final.

The event, staged at Leeds Road back on F.A. Cup Final day, involved representatives of the toy trade in a North v South contest.

But the match was not merely to prove our northern supremacy over those southern whimps. It was to raise money for a very special school at Bradford.

Temple Bank School caters for the special needs of 58 blind or partially blind children between the ages of 3 and 17 years. Space is severely restricted and the old rooms are now unsuitable for specialist requirements.

During the day, organised by captains Jim Brearley (second left) and Graeme Cutts (second right), a total of £26,000 was raised.

Before this evening's match Temple Bank's Head Teacher and Head of Services Mr. R. C. Neal will receive a cheque for help to provide further facilities and care for his pupils.

# CURRENT ACCOUNT

by CHRIS DRAKE

With the season still having at least two-thirds of its programme to run several strikers in the Barclays League Division Three have already made their mark.

Brian Deane, the Leeds born 20 year old forward surprisingly heads the divisional scoring charts. In his three seasons in the Third Division with Doncaster Rovers he hardly set the football world alight scoring just 12 league goals from 66 appearances. When Rovers were relegated last season Deane moved across to Bramall Lane and has already notched 12 League and Cup goals.

A player who needs little introduction to **Huddersfield Town** supporters is Liam Robinson, the Yorkshire lad now playing in **Bury** and currently with 11 goals to his name. Liam made 21 League appearances for the Terriers before his move across the Pennines and up to the end of last season had scored 32 League goals from 76 games. His impact this season has come in the last four games with seven successful strikes including a hat-trick in the thrilling 4-3 win at **Gillingham**.

By contrast **Sheffield United's** Tony Agana's goal-scoring spree came early season, as he rattled in 10 goals in his first eleven outings for the Blades. He has struck up a great partnership with Brian Deane and together they have made United the top Barclays League goalscorers with 33 goals.

Apart from four appearances with West Bromwich Albion Steve Bull has played 30 League games in 1986/87 and 44 last season, scoring 15 and 34 goals respectively for **Wolverhampton Wanderers**. He is once again displaying the knack of finding the net and looks destined to become the Wolves top scorer once again.

Swansea born Steve Lovell, the **Gillingham** midfielder with the attacking flair has operated in every Division of the Football League in a career spanning nine years. The former Crystal Palace player actually made his debut in October 1979 while on loan to Stockport and he later turned out for Palace,

Millwall, Swansea again on loan and now with his present club. He has added eight further League goals to his 74 goal tally and with two cup goals scored against Cambridge United his return of 10 goals out of the 19 scored by the Gills to date represents prolific scoring in a struggling side.

32 year old Ron Fletcher is no stranger when it comes to scoring goals. He has played in the First Division with Luton Town and Manchester City, in the Second with Luton, Barnsley, Oldham Athletic and Bradford City. He also made four League appearances for **Chester City** when they were in the fourth and Fletcher was embarking on his long career with 101 League goals to his credit before this season he is still churning out the goals in a new division with **Port Vale**.

Andy Sayer, the young **Fulham** striker who was born on 6-6-66 has suddenly found his touch for grabbing the goals. Apart from five loan appearances with Cambridge United he had spent all his career at Wimbledon until he moved to Craven Cottage and had scored only 15 League goals. Nine goals from Sayer this season have coincided with the rise of the Cottagers in the Barclays League table and they currently occupy fourth place.

Bristol born Gary Penrice has only played football for one club namely **Bristol Rovers**. Coming up through the apprentice ranks he made his debut in the 1984/85 season. He has increased his League goals tally every season since and as an ever-present for the Pirates last term he scored 18 times. In Barclays League games so far this season Penrice is already half-way to equalling that figure. His latest goal, scored against **Huddersfield Town** at Twerton Park, Bath was his ninth.

# IN TOWN TODAY

Today we welcome to Leeds Road one of the greatest clubs in the Football League. Formed as Christ Church F. C. in 1874, Wanderers were already a well established professional club by the time the Football League was founded.

The formative years of league football brought a fluctuation in fortunes with almost continuous promotion and relegation. But it was not until 1911 that Bolton began a sustained spell in Division One.

By this time the Second Division Championship had already come to Burnden Park and Bolton's reputation as cup heroes was already being forged. The final round had been reached on three occasions, but every time Bolton finished as runners-up.

Then in the 1920's the mantle of second place ended. In 1923 Bolton succeeded Town as F. A. Cup winners in that infamous first Wembley final. They were back again three years later to lift the cup at the expense of Manchester City and for the third time in 1929.

Apart from a couple of seasons in Division 2, premier flight football remained Bolton's until 1964. There had been more cup success — victory over Manchester United in 1958. But there had also been disappointment — losing to Blackpool in the 1953 Stanley Matthews final.

Nat Lofthouse's playing career had come to an end after 255 goals for Bolton and 33 caps for England.

The last 20 years have seen Bolton, like Town, feature in all four divisions. The Second Division Championship was claimed in 1978, but after only two years back at the top a gradual slide to Division Four began.

Over the years there have been a number of notable connections between our two clubs. On the Managerial front both Ian Greaves and George Mulhall took charge during the 1970's and early 1980.

Players appearing for both clubs in recent years include Frank Worthington, Alan Galloway, Terry Poole, Paul Jones, Sam Allardyce, Dave Sutton and last season Andy May.

Andy was taken on loan to Bolton towards the end of last season to help with their successful promotion drive. But the man mainly responsible for the upturn in the club's fortunes is player/manager Phil Neal.

After an illustrious playing career with Northampton, Liverpool and England, Neal was appointed to his first managerial position by the Bolton board in December 1985. Although he was unable to halt the

slide to the basement in 1987 within 12 months the club had returned to Division Three.

Most of the stars of that successful squad have remained at Burnden Park although the side has been strengthened by the summer acquisitions of Phil Brown (from Halifax) and Barry Cowdrill (ex-W.B.A.).

## The Squad

An ever-present since returning to Bolton in February 1987 is goalkeeper **David Felgate**. A former apprentice at Burnden Park he never played in the first team during his first spell, but gained experience whilst on loan to Rochdale and Crewe. The Welshman joined Lincoln in 1980 and then Grimsby in 1985.

After 9 years with Hartlepool and Halifax, right-back **Phil Brown** is now tasting life outside the Fourth Division. The 29 year old has slotted in nicely since his close season move from Halifax whom he missed just 3 league matches in 3 years.

Beginning the season at left-back was former 'Baggy' **Barry Cowdrill**. He was a valuable squad member for West Brom and played 32 Second Division games last season. In recent weeks his place has been taken by **Dean Crombie**, one of several ex-Grimsby lads at Burnden Park. The Lincoln-born 31 year old made his League debut for his home City club in 1977 but moved to Grimsby during the summer of 1978. Joined Bolton for the start of last season.

The mainstay of the defence is St Helens born **Mark Winstanley**, a central defender who has progressed through the junior ranks. The 20 year old made his league debut at Bournemouth in March 1986 and is now commanding a permanent spot in the rearguard. Winstanley's partner for most recent matches has been former Blackburn favourite **Glenn Keeley** who was signed from Oldham in September. The 34 year old spent 11 seasons at Ewood Park and is the veteran of almost 450 league games.

Also figuring in defence has been **Mark Came** signed from non-league Winsford in 1984. Since arriving at Burnden Park, Came, aged 27, has figured in nearly 150 league matches. The only local born player is **Julian Darby** who is equally at home in defence or midfield. 21 year old Darby has become a first team regular over the past couple of years and is an ever-present during this campaign. **Steve Thompson** is an Oldham lad who worked his way through the junior ranks to make his league debut in 1982. 200 games later Thompson is an accomplished midfielder who is always likely to score goals.

# BOLTON WANDERERS

Leeds born **Gary Henshaw** is in his second season with the Trotters following a transfer from Grimsby Town. The 23 year old is another of this season's ever-resents and should shortly be playing his 100th league match. 20 year old **Nicky Brookman** had spells with Newport, Villa and Wrexham but did not make his league bow until joining Bolton. Three goals so far for this midfielder.

Top scorer this season is Londoner **Trevor Morgan** with 6 goals. The former Bournemouth striker had spells with Bristol City (twice), Rovers and Exeter before moving North during the summer of 1987. Top scorer last season with 22 Barclays League goals was **John Thomas**. The much travelled forward, who began his career at Everton, is in his second spell with Bolton having rejoined them from Preston for the start of last season.

Malta born **Ian Stevens** has earned his first team spot after developing his goalscoring reputation with Bolton's reserves. The 22 year old has netted three times this season, including a brace in a 3-0 win at Aldershot.

One of last seasons heroes was former Liverpool junior **Bob Savage** who was bought from Bradford City in September 1987. For Savage scored the all important goal that secured promotion back to Division Three.

## BARCLAYS LEAGUE RESULTS

Home		Away	
Cardiff	4-0	Southend	0-2
Bristol R.	1-1	Reading	1-1
Fulham	3-2	Aldershot	3-0
Sheffield Utd.	2-0	Swansea	0-1
Blackpool	2-2	Port Vale	1-2
Wolves	1-2	Wigan Ath.	1-1
Chesterfield	5-0		

Back row (l to r): Ian Callaghan, Gary Henshaw, Paul Hughes, David Felgate, Julian Darby, Ian Stevens, Chris O'Brien  
 Middle row: Phil Neal (Manager), Steve Carrol (Youth Coach), Nicky Brookman, Gary Brown, Stuart Storer, Trevor Morgan,  
 Dave McKearney, Bob Savage, Jeff Chandler, Mick Brown (Coach), Phil Stock (Physio)  
 Front row: John Thomas, Steve Elliott, Phil Brown, Mark Came, Mark Winstanley, Dean Crombie, Barry Cowdrill, Steve Thompson

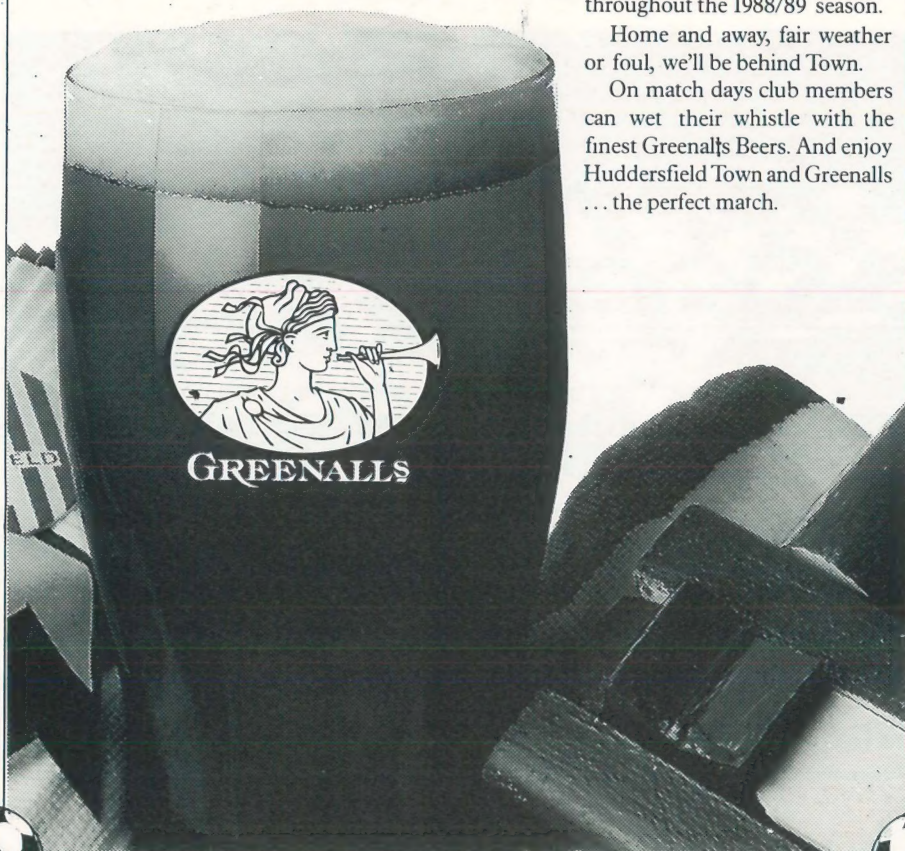

# LOOK WHO'S SUPPORTING HUDDERSFIELD TOWN AGAIN THIS SEASON

Once again Greenalls are sponsoring your favourite team throughout the 1988/89 season.

Home and away, fair weather or foul, we'll be behind Town.

## HELPING THE GAME

The Football Trust receives £9 million annually from the Spotting the Ball competition run by Littlewoods, Vernons and Zellers and spends it all on projects which benefit football throughout the United Kingdom.

Since 1979 it has been committed to the development of the game at every level and its broad and varying initiatives have ranged from essential safety work at Tottenham to social work at Toxteth, refurbishment at Wembley to repairs at Welling, closed circuit television at all League clubs to community facilities at Oldham Athletic, transport improvements at Sheffield Wednesday to storm damage in the South East of England, from policing costs at Hull City to an artificial pitch at Hyde United.

1988-89 will see The Football Trust increase its commitment by investing further sums in closed circuit television, transport facilities for supporters and projects to bring Football League clubs closer to their local community.

## WARNING

At the beginning of the season more than 110 League grounds in England, Wales and Scotland will be equipped with CLOSED CIRCUIT TELEVISION which has been funded by The Football Trust.

It is there to increase crowd safety and to help the police. Recording facilities enable film and photographs to be taken of disorder, which may subsequently be used in a court of law.

## CLOSED CIRCUIT TELEVISION

## SAFETY FIRST

Football grounds in England and Wales have reached their highest ever level of safety thanks to the £23,671,425 invested by the Football Grounds Improvement Trust since 1975.

Almost every League club has been assisted with essential safety work and further substantial sums have been spent to enable them to improve facilities. In the past year alone FGIT grants to Football League clubs totalled:

	£
Safety	2,254,723
Improvements	770,561

In addition to its safety programme, FGIT has also allocated £1.5 million to build or improve family and disabled facilities at League grounds during 1988.

## INJURY TIME

Richard Shelton

At long last the end appears to be in sight for **Richard Shelton**. Having been out of action with a double broken leg for almost 18 months Richard will shortly be resuming full training.

The youngster has spent much of this season at Lilleshall's National Rehabilitation Centre. There Graham Smith and his team of physiotherapists have worked wonders and within a week or so Richard should be out on the training field.

He will gradually be re-introduced to matches in the Central League. Initially he is likely to be a substitute playing, perhaps, the final 15-20 minutes of games.

Another player due to be taking the field again in the not too distant future is **Malcolm Brown**. Mally had suffered pain around his right knee and underwent surgery a couple of weeks ago. A small cyst was discovered and removed. Now Mally is starting to step up his training and should be back in the full swing of things within the next fortnight.

Malcolm Brown

For **Ian Bray** the process of recovery from his broken leg continues slowly. Ian will still remain in plaster until the middle of December but a recent x-ray showed that the break was healing. Within the last few days he has had a special shoe fitted and has been allowed to put some pressure on his leg. Ian is continuing to do some body exercises and has also been put on a weight programme to prevent any surplus weight building up.

## BARCLAYS BLUE RIBAND - The Perfect Match

Barclays will plough £100,000 this season into improving spectators facilities for families at League grounds, it was announced last week. But clubs will have to earn the right to share in the prize money allocated to a new initiative aimed at rewarding attractive play and discouraging misconduct on the field.

The BARCLAYS BLUE RIBAND Awards, as the scheme will be called, incorporates the principle of a Fair Play League — reflecting the conduct of players — and combines this with the more positive aspects of a team's performance — scoring goals. Points will be awarded on a debit and credit basis with the BARCLAYS BLUE RIBAND going to the club in each division of the Barclays League who finishes the season with the highest credit balance. The divisional winners will each receive £25,000 with the stipulation that the prize money is spent on providing better family facilities at their ground.

The scheme backed by both the P.F.A. and F.L.E.S.A. and administered jointly by The

Football League and the Football Association, is seen as a means of rewarding quality and excellence within the Barclays League.

"This initiative serves to encourage good behaviour as well as positive play", commented Owen Rout, Executive Director of Barclays U.K. "We believe that both these elements are qualities which should be given every encouragement as players strive to excel in a highly competitive profession. If at the same time we can help to improve spectator facilities, it seems we have the perfect match".

Leading positions for the Division 3 award on 16th October were:

Pld	Goals					
	H	A	credit	ctns	s/off	debit b'nce
Port Vale.....	10	16	9	34	8	0 8 26

## SUPPORTERS' CLUB

A warm welcome to our opponents, Bolton Wanderers, and to their supporters who have made the relatively short journey over the Pennines for tonight's Third Division match.

### "WELL TRAVELLED"

Two of our Supporters' Club members, Joe Heywood and Keith Walker, featured in an article last week in the Bristol Rovers programme due to the fact that their visit to Twerton Park, Bath, was the 96th ground on which they have watched Town play. Both Joe and Keith have for some time been members of the 92 Club and a recent addition to this Club was our Chairman Mrs. Maureen Procter who completed her 92 clubs at the back end of last season. Congratulations to all of them — well travelled supporters indeed.

### AKROYD TROPHY — MAN OF THE MATCH

Once again we are running our Man of the Match Award in conjunction with Melvyn Booth of the Huddersfield Daily Examiner to whom we are very grateful. The Man of the Match nominations from Melvyn after each Barclays League game will culminate at the end of the season with the player who has received the most nominations receiving the Akroyd Trophy.

The current positions at this reasonably early stage of the season are as follows: Steve Hardwick, Craig Maskell, Kieran O'Regan and Simon Trevitt 2 each, Mick Byrne, Andy May, Junior Bent, Graham Mitchell and Julian Winter 1 each.

### DEREK HOLMES MEMORIAL ROSEBOWL

At the end of each season the player who has scored the most League goals receives the Derek Holmes Memorial Rosebowl. Past winners have included Mark Lillis and Duncan Shearer. The current top scorers are as follows: Craig Maskell and Chris Hutchings with 5 goals each and Mick Byrne with 2 goals and Junior Bent with 1 goal.

### AWAY TRAVEL

12th November — WOLVERHAMPTON WANDERERS. Depart 11-30 a.m. Fare £6.00.

26th November — WIGAN ATHLETIC. Depart 1-00 p.m. Fare £2.50.

Can I remind anyone who travelled with us to the Cardiff City match and who have not yet collected their travel voucher refund to call in at the Portacabin to collect it.

# PATRONS' NEWS

## NOVEMBER DATES

Many thanks to Youth Coach/Physio Derek Mann who proved to be 'excellent value for money' at last week's Heavy Woollen Area meeting.

Derek will be present when the **Local Areas** hold their monthly meeting next **Monday, 14th November**. All Patrons are welcome to attend and the evening gets underway in the Greenall Suite at 7-30 pm.

The **Holme Valley/Pennine Areas** meeting scheduled for this **Thursday, 10th November** will still go ahead. Our home Central League match with Barnsley has been re-arranged for the same evening (kick-off 7-30 pm.) and the meeting will start following the final whistle. Guest speaker will be former Bolton boss **GEORGE MULHALL** who is Town's Scouting Liaison Officer. Patrons wishing to attend the meeting should note that it will be held in the **SPONSORS LOUNGE** situated in the Upper Stand Corridor.

## CASHLINE COMMITMENT

Tony Flynn, Commercial Manager.  
Dear Tony,

I regret having to return my Cashline agents book, but I'm 76 and have enough to cope with. It's an excellent scheme and a good idea to pull in more agents. Needless to say, I do have a Cashline ticket myself.

Wishing you further success and congratulations to the new set-up at Leeds Road which really looks to be going somewhere at last.

Yours sincerely, ERIC HAIGH (Patron 1079)

Many thanks for your kind thoughts. If any Patrons have received Cashline books but have not yet acted please do so.

TONY FLYNN

## CROWD DISORDER

For all matches at Leeds Road, and today there is no exception, high quality video equipment is in use. The cameras, both inside and outside the stadium, can be used for recording in 'close-up' incidents of crowd disorder and, of course, the video tapes and still photographs **WILL** be used for clear identification of individuals who are involved. In recent seasons, where arrests were made, both on the day of the game and often many weeks or months later, video coverage of incidents leading up to an arrest have and are still being successfully used as evidence in court. Spectators who are doing nothing wrong have nothing to fear.

**V.H.S. VIDEOS only £12** (plus £1 if p & p)

Reserve your copy of today's game by calling at the Shop. Alternatively, write to Huddersfield Town Souvenir Shop, 286 Leeds Road, Huddersfield, HD1 6PD

Please make all cheques payable to  
Huddersfield Town A.F.C. Ltd.

# ROUND UP

The good progress made by the reserves has continued during the last couple of weeks.

In our latest home match we drew 0-0 with West Bromwich Albion at a fog bound Leeds Road.

The team was strengthened by the inclusion of Simon Trevitt and the return after injury of Mick Byrne. But it was rather a case of both sides cancelling each other out, with few clear-cut chances.

The whole of our back-four played well, Duggan and France solid in the centre of defence and Chapman marked Tony Morley out of the game.

Holmes and Marsden were tidy in midfield and although we probably had slightly more possession, that killer touch eluded us.

Team: Martin, Trevitt, Chapman, Holmes, Duggan, France, Barham, Marsden, Byrne, Ward, McInerney.

Last week we picked up maximum points on a lovely playing surface at Blackburn. We were up against a reasonably strong side, but got off to a cracking start.

We played a lot of good possession football with all departments sticking to their tasks well. In defence, captain Gordon Tucker did not put a foot wrong, while Chapman stifled Ian Miller who was withdrawn before half-time. The midfield did an excellent job in closing the opposition down and not allowing them to develop moves. Our two wide-men McInerney and Bent were positive, beat their full-backs to send over crosses or win corners.

It was from a Holmes corner after about 15 minutes that we scored the only goal. Duggan flicked the ball on and, under pressure, a defender put through his own goal.

We also went close from one of our other many corners when Junior Bent hit a post. Craig Maskell was also rather unlucky — he had a shot that hit the crossbar.

Team: Martin, Tucker, Chapman, Holmes, France, Duggan, Bent, Marsden, Ward, Maskell, McInerney.

DEREK MANN

by MELVYN BOOTH of The Huddersfield Daily Examiner

Little more than a month ago Julian Winter looked to be on his way out of Leeds Road.

The 23-year-old midfielder spent a month on loan with Mick Buxton's Scunthorpe United which appeared to be laying the foundations for his departure.

That is the way it seemed to a lot of people with one notable exception — Julian himself.

A product of Town's Northern Intermediate League team, Julian elected to return to Leeds Road and the decision has proved a bonus both for the player and the club.

Selected by manager Eoin Hand for the last five Third Division matches, Julian has played a big part in Town's more consistent form which has still to be reflected in results.

Mr. Hand commented: "The gauntlet was thrown down to Julian and he has responded to the challenge.

"I gave him the chance to show what he can do and he seems determined to grasp it. He has done very well".

Julian, too, is pleased with his current form but has suffered enough career setbacks not to want to tempt fate.

"I am trying not to look too far ahead and I am not worrying about the game," said Julian, back from a 10-month absence from Town's senior line-up.

"I've got no injury problems, touch wood, and I'm quite happy with the way things are going at the moment."

After two broken legs which have hampered his League progress, Julian is understandably eager not to make predictions, but he is better prepared now to make an impact.

His ability has never been in question but he has rarely found the consistency to match — perhaps until now.

"It is always make or break time and I'm just happy to be playing," he explained.

"I enjoyed my time at Scunthorpe but I didn't want to drop into the Fourth Division. I felt I was better than that.

"I came back here with the intention of doing well in the reserves so I could either get back in the side or sell myself to someone else.

"It's worked out that I've got back in the side and obviously that's a big challenge. Some people might see it as a gamble that has paid off but I always had confidence in myself.

"I think we are playing really well at the moment, though, and we could have won the last four games."

Julian has been much more evident around the opponents' box since teaming up with Andy May this season and has had several chances to break his goal duck.

"The system we are playing means that the full-backs are getting forward much more and firing in the crosses," he said.

"Ninety per cent of the time either myself or Andy May have got to make the extra man around the box and we've been doing it quite well.

"When you know you've got the extra man at the back it encourages you to go forward and, fingers crossed, things are going quite well".

# COOPER'S COLUMN

"ANOTHER OPPORTUNITY GOES BEGGING....."

No, I'm not referring to a missed chance in a match I may have been commentating on, but to the mistake (in my view) of the Football League Chairmen in failing to vote Bobby Charlton onto the League Management Committee. A couple of weeks ago I thought a fresh air would blow into the select band of men who 'run' our national game, but no.

Rightly Philip Carter and David Dein were voted off the committee, and in their places as members were elected John Smith of Liverpool and Robert Chase of Norwich City. I'm sure both will do an excellent job, they are experienced enough in administering the game to have earned the respect of their fellow chairmen, and that is worth something. But what the game is still desperately in need of is an ambassador to prove to supporters and non-supporters that football isn't just a hard hearted businessman's toy, and a man of Charlton's calibre would admirably fit the bill.

Perhaps because he's 'merely' a relatively inexperienced director and not even chairman at Manchester United the chairmen felt he shouldn't win a place on the committee, but a man who has devoted his life to football deserves more than to be spurned in his aim of improving it's image.

I may be over optimistic, but Charlton may have even been able to exert some influence to help English clubs get back into Europe. A forlorn hope?

Well certainly he would not have allowed the game itself to fall into disrepute by the ungentlemanly conduct displayed by Messrs Carter and Dein during the summer in the television rights arguments that ultimately led to their own downfall.

After two rejections by the League's chairmen, Charlton may not necessarily put himself forward for election again. The meeting at Villa Park last month marked not only a sad day for one of the world's best known players, but in my view for English football as a whole.

CHRIS COOPER, Pennine Radio Sports Editor.

## YOUNG TERRIERS

How was your day last Saturday? Hopefully it would have got off to a good start with a win (?) against Sheffield United — if not, never mind there's always next time. Later, I'm sure that all of you would have had a great time at bonfire parties. I hope you all remembered to be careful with fireworks and that no-one ended up as the 'guy'!!

Good news now — a home draw against Rochdale in the F. A. Cup on 19th November which means that we can have an EXTRA Y.T. MEETING. This will be at the usual time of 12 noon in the Conference Room at the Sports Centre. We want to see ALL of you there so that we can be in good voice to cheer Town through to the next round.

At the Sheffield game you would all have received a letter giving details of our away trip to Wigan on Saturday, 26th November (anyone not there should get a letter through the post). If you are able to go please bring your money to the meeting on the day of the F. A. Cup game. Chris is very hopeful of being able to arrange a match between Y.T.'s and Wigan Junior Supporters. We don't know as yet which age group will be involved but we'll have all the details for the next meeting.

Christmas is coming soon (as if you didn't know) and the Town shop has lots of ideas for

solving the problem of what to buy Mum, Dad, Gran, Grandad, Brothers, Sisters etc. AND they won't make a big hole in your pocket money — so why don't you pop in and have a look round.

See you at 'Wembley' — Love, JOAN

## MASCOT

Martin Norris is tonight's Mascot. He comes from Lascelles Hall, is 9 years old, and enjoys all sports, especially football. Plays for his school team, Lepton County First School at centre forward. Also plays for Lepton Highlanders Under 10s.

## ELECTION OF LEAGUE PRESIDENT CLOSE

Following the election of Robert Chase (Norwich City) and John Smith (Liverpool) to the Football League Management Committee, the issue of the League Presidency can now be addressed.

Only current members of the Management Committee can be proposed for the position of President and the deadline for nominations is 3-00 p.m. on Wednesday, 9th November, 1988. If more than one nomination is submitted, it will be necessary to call an Extraordinary General Meeting of the League and Monday, 21st November, 1988, has already been pencilled in for this purpose. In the event that only one nomination is received by the deadline, however, the candidate will automatically be deemed to be duly elected.

## CELEBRATE WITH TOWN

Why not bring in the New Year at Leeds Road? Town are giving you, the fan, the opportunity to be a "Sponsor of a Day" for our home game with Southend on 2nd January.

For just £15 you will get:

- \* Free drink on arrival
- \* Four-course Buffet Lunch
- \* Bar Facilities in the Sponsors' Lounge before the game, at half-time, and as long as you want afterwards
- \* Stand Seat
- \* Match Programme

Space is limited — see Keith Hanvey now!

## THE GARDINER GROUP PLC

The Group's business is the sale of a wide range of electronic security and surveillance equipment to trade customers through a network of branches in Britain, the Netherlands and Belgium.

The Group sells a range of over 800 standard products supplied by manufacturers. Its principal product lines are infra-red passive detectors and control panels.

As the demand for home and office security systems in Britain expanded in the 1970s Geoff Gardiner recognised that the fragmented nature of the industry provided an outstanding opportunity for an efficient distributor of security products. In 1977 he and Paul Kelly established Gardiner Security, which merged into Gardiner Group PLC in 1986.

At first they worked from their respective houses, each operating a van sales and delivery service, one covering the North of the country and the other the South. After a short period Gardiner Security leased its own small office and warehouse in Heywood, Lancashire.

A branch was opened in London in 1979 and the head office was moved to larger premises in Heywood. In that year branches were also opened in Glasgow and Bristol. In 1983 Gardiner Security moved to Rochdale because of its proximity to the motorway network.

**Sat 9 am to 1 pm**

**Matchdays 9 am to kick-off and afterwards**

# BACK TRACK

## 10 YEARS AGO

Town's recent run continued on 11th November 1978 with a draw at Division 4 leaders Reading. The home side, having dropped just one point at Elm Park in eight games took the lead late in the first half. But the crowd of 6,870 watched as Town fought back to earn a 68th minute equaliser from Ian Robins, his fourth goal for Town.

The result stretched Town's unbeaten run to four games — our longest of the season so far — and also knocked Reading off top spot.

Their place was taken by Wimbledon who had come down to earth at Leeds Road a couple of weeks earlier.

In Division One Bolton travelled to Bristol City without the suspended Allardyce. Bolton's torrid travelling form continued — a 4-1 defeat meant only one point out of a possible 14 had been earned on away turf.

Arsenal were fairing somewhat better in the top flight. They came north to Elland Road and moved up to 5th with a single goal success.

Back in Division Four where Bradford City enjoyed a 1-0 home win over Northampton, while Halifax were held to a 1-1 draw by Aldershot at the Shay.

## 20 YEARS AGO

In preparation for our game at Bristol City on 9th November 1968, Ian Greaves took the players on a four day training break at Weston-Super-Mare.

Included in the squad for the first time was 23-year-old Alan McNeill, a recent signing from Middlesbrough. McNeill did not figure in the line-up and Steve Smith brought a dour, rugged match to life with the only goal.

The victory was Town's seventh in the last eight matches and our march up the table continued. We moved up to third place just two points behind Second Division leaders Millwall Athletic.

Leeds United's woeful run continued. The Elland Road side were held to a goalless draw at home to Spurs. The Leeds faithful had watched their team fail to score in 337 minutes of football action.

Down to Division Four where Halifax staged a late recovery to draw 1-1 with Bradford City at the Shay. The crowd of 7,500 was more than three times that of the Park Avenue gate which saw a rare success for Bradford P.A.

They disposed of Colchester 2-1, only their second win of the season.

## 30 YEARS AGO

After the euphoria of the previous week's triumph at Leyton Orient, Town were brought down to earth when Sunderland visited Leeds Road in a Second Division fixture. The game, played on 8th November 1958 finished in a 1-1 draw, Massie scoring for Town. While the result was disappointing for the Leeds Road faithful it brought a smile to those on Wearside as Sunderland moved off the foot of the table.

At the other end of the division joint leaders Sheffield Wednesday and Fulham both drew to retain a six point lead over the field.

In Division One, a 1-1 draw at White Hart Lane maintained Bolton's sixth position. In a tightly bunched division Wanderers were just two points behind leaders Arsenal, with a game in hand. Only four points separated Arsenal from Charlton Athletic in 12th place. With the exception of Preston all eleven had played a game less than Arsenal.

At the bottom end Leeds went down 2-0 at Chelsea to fall perilously close to a relegation placing.

Division Three's leaders Plymouth, with just one defeat in 19 outings moved 7 points clear while in the Fourth Port Vale took over after beating previous leaders Exeter City 5-3.

## 40 YEARS AGO

Without the services of Eddie Boot Town travelled to Birmingham City for a First Division fixture on 13th November 1948. The day proved to be unlucky for Town with a 1-0 defeat, our fourth consecutive point-free game. Matters were made worse by the news of victories for two other struggling sides — Aston Villa won 1-0 at Preston and Everton beat Sheffield United 2-1.

The shock of the day came at Newcastle where League leaders Derby County suffered their first defeat of the season. County went down 3-0 to an in-form Newcastle side who recorded their fifth win on the trot. Second placed Portsmouth failed to take advantage of County's lapse, they could only manage a 1-1 draw with Blackpool at Fratton Park.

Bolton Wanderers did their confidence no harm with a fine 4-1 win at Charlton Athletic.

In Division Two, the top two clubs marched on towards promotion. West Brom beat Luton 2-1 while Tottenham had a 4-1 success over Barnsley.

The result of the day came in Division Three (South) where Walsall and Millwall shared eleven goals. The final score, Walsall 5, Millwall 6.

# ALL OUR YESTERDAYS

In the 1920s it seemed an almost annual event that either Bolton Wanderers or Huddersfield Town appeared in an F.A. Cup Semi-final. Yet on only one occasion did the two appear in the same game — in 1928-29. After Town's valiant but unsuccessful attempt at the 'double' the previous season, our League season had been something of a disappointment, but our standing in the football world was such that they had invitations to make all-expenses paid tours from the U.S.A., South America, and several continental countries. Both clubs' Cup fighting qualities lived on as is shown by this table charting both clubs' march to the semi-finals:

<b>Huddersfield</b>	<b>Bolton</b>
3rd Rd Chesterfield (a) 7-1	Oldham (h) 2-0
4th Rd Leeds (h) 3-0	Liverpool (a) 0-0
	Liverpool (h) 5-2
5th Rd Crystal Pal. (h) 5-2	Leicester (a) 2-1
6th Rd WBA (a) 1-1	Blackburn (a) 1-1
WBA (h) 2-1	Blackburn (h) 2-1

The semi-final meeting took place at Anfield, Liverpool, in March 1929. The city was swarming with fans from all over Lancashire and the West Riding and many Town fans arrived early in order to visit the docks and take their first look at great sea-going vessels. As they took the field the teams faced a battery of reporters and 'kinema' operators.

Town: Turner, Goodall, Wadsworth, Redfern, Wilson, Naylor, Jackson, Brown, Dent, Kelly and Smith.

Bolton: Pym, Haworth, Finney, Kean, Seddon, Nuttall, Butler, McClelland, Blackmore, Gibson and Cook.

Town went ahead after only 12 minutes when Smith and Dent combined to give Jackson a chance to send in a low drive. It was still 1-0 at half time and the press reported a 'marvellous' game was in progress. It certainly turned out to be so for the Trotters who hit back in style in the second 45 minutes. Blackmore equalised within 5 minutes of the resumption and Gibson gave them the lead 10 minutes later. Although Dent brought two good saves from Pym the Yorkshiremen could not haul themselves

back into the match and eventually Blackmore made the game safe. Wanderers went on to the Cup Final where they beat Portsmouth by 2-0, Butler (79 mins) and Blackmore (90 mins) being the scorers.

IAN THOMAS.

## 'LIVE' T.V. UP-DATE

Following the Everton v Manchester United opening 'live' T.V. game, further selections have been announced covering the New Year period. The New Year's Eve Barclays League fixture between Manchester United and Liverpool has been re-scheduled for Sunday, 1st January, 1989, in order that the match can be screened 'live'. The North London 'derby' between Arsenal and Tottenham Hotspur has also been selected for 'live' coverage on the scheduled date of Monday, 2nd January, 1989. All 'live' matches will kick-off at 3-09 p.m., except the game on 2nd January, 1989 (to be announced).

Meanwhile the B.B.C. have announced that they will be screening highlights of several F.A. Cup ties in the first and second rounds. These games are expected to be broadcast on the evenings of Saturdays, 19th November and 10th December.
